WHAT IS A MULTI-SPACE PARKING METER?

The City of Waltham is implementing a new parking meter program that uses kiosks that accept dollar bills, dollar coins, quarters, dimes and nickels.

This system is designed to be more convenient than the individual coin only parking meters.

HOW DO I FIND THE MULTI-SPACE METER?

Simply park your vehicle and look for the sign indicating "Pay Meter Here".

Currently these kiosks will only be located in the Chestnut Street Parking Lots, Crescent Street Parking Lot and the Library Parking Lot. We anticipate having all the municipal owned parking lots converted over to these new multi-space machines in the next two years.

HOW DO YOU PAY FOR PARKING?

1. PRESS ANY BUTTON ON THE KEY-PAD TO BEGIN.
2. ENTER YOUR SPACE NUMBER AND PRESS THE # KEY
3. INSERT COINS OR BILLS
4. PRESS **GREEN** BUTTON TO COMPLETE OR PRESS **RED** BUTTON TO CANCEL TRANSACTION.

THERE ARE NO REFUNDS AND NO CHANGE RETURN. ONCE BILLS ARE INSERTED THEY CAN NOT BE RETURNED.

PLEASE PAY FOR ALL TIME NEEDED
YOU CANNOT ADD TIME TO YOUR INITIAL PURCHASE.

WHEN ARE THE PARKING METERS IN OPERATION?

All parking meters in the City of Waltham operate Monday through Saturday from 8:00 AM to 6:00 PM. All meters are free on Sundays and Holidays.

Continuous 24 Hour Parking is Not Permitted in any of the Public Lots.

WHAT ARE THE METER RATES?
