Waltham Public Library Food and Drink Policy

In order to maintain a clean and welcoming environment and minimize damage to our materials and equipment:

- Food is permitted only on the Ground Floor of the Library.
- Beverages with a secure lid are permitted throughout the building, except while using computers or working with Waltham Room materials.

As a courtesy to all who use the Library, please dispose of trash and recycling in the appropriate bins. If you see an area that needs attention, please let staff know immediately.

Food Allergies: The Waltham Public Library is not responsible for monitoring the building for allergens.
